Subject -Site for the construction of a cinema theatre in the
Chintamani Town

Adverting to correspondence ending with your letter No L 2292/11
55-40-28 dated 19-9-1940, communicating orders of Government that the
site next to the Cattle Pound at Chintamani might be reserved as a lung
space as it is not suitable for locating a cinema theatre thereon, I
have the honour to resubmit herewith the file of records relating to the
subject received from the President, Town Municipal Council, Chintamani
with his report No H C 39/41-42 dated 29-10-1941, and to state that as
there is no other site in that town suitable for a theatre and it is
desirable to have a permanent theatre in an important and growing town
like Chintamani the Municipal Council are naturally anxious to provide
for this requirement to their town as early as possible. In this view,
they have resolved at their meeting held on 2-10-1941, that the site
referred to above may be disposed of in public auction for this purpose
after obtaining sanction of Government thereto

2 A perusal of the previous correspondence on the subject shows that
the Municipal Council at first proposed, in their resolution dated
30-6-1938 to dispose of this site at an upset price of four annas per
square yard but a number of petitions protesting against the proposal
to dispose of this site at an upset price and demanding its disposal in
public auction having been received the Municipal Council were advised as
per orders of Government communicated in your letter No L 2299/11 65-
38-166 dated 30-8-1939, to defer the disposal of the site till the pre
vailing excitement subsided or not to dispose of the same at all for the
construction of a cinema theatre as it was reported to be unsuitable for
the purpose The Municipal Council subsequently resolved at their

p t o

their meeting held on 29-3-1940 that as there was no other site suited for the purpose the site in question might be disposed of in public auction. While submitting this resolution for the orders of Government my predecessor stated in his letter No A5.C.408/38-39 dated 22-7-1940 that though the site was not suited for a Cinema Theatre the disposal of the site in the manner proposed by the Municipal Council, would if approved, fetch not less than Rs 1000/- to the Municipality besides providing an important civic amenity in the town. Orders of Government on this reference were received in your letter under advertisement

3 The question ~~of~~ requires re-examination in the light of the circumstances explained, more particularly in para one, above and it will be obvious that, if the town is to be provided with a theatre, there is no alternative to sanctioning the proposal of the Municipal Council I ^{therefore} am/of opinion that the proposal may be sanctioned subject to the condition that a decent theatre will be undertaken to be constructed in accordance with a plan to be approved by the Government Architect and I request that orders of Government may be kindly obtained in the matter accordingly A sketch plan of the site in question is also enclosed in the records for reference. The favour of early orders of Government is requested

Letter No 139 dated 18/29th March 1942, from Mr
G.H Krumbiegel to the Deputy Commissioner Kolar Dt

I have your letter No.A5 C 1533/41-42 dated 26th
Ultimo in connection with the construction of a cinema
theatre at Chintamani Town

I see no valid reasons for the statement that the
proposed site is not suitable for a cinema. The facts
(1) that it is fairly central, (2) that the surrounding
Institutions (shandy) Veterinary dispensary, D B Office
are not used at night and will not be disturbed by the
cinema and finally (3) that a good building in this
place will form an embellishment to this important
part of the Town, all speak for the suitability of the
site

The design of the Building must of course be ~~xxxx~~
approved by Government and it would be advisable to
adjust the boundary of the site as shown in the plan
